Culture Bites is August 1 in Huntersville at Veterans Park from 5:30p-8p. Entertainment, food and ASC showing more involvement in the communities surrounding Charlotte. It would be great for the commission to get out to support this event.

Culture blocks are also going to start programming in our area. More details to come from Nancy our representative for the Town of Huntersville on the ASC Advisory Board.

#### GRANT ELECTRICITIES UPDATE

OHHS has their meeting tonight and will be providing an update on the bricks for the Ice House. Found a sealant from a local brick company to help preserve bricks at current condition.

Waiting to hear back from Atrium before sending on talking points to Town lawyer for an official contract to be formed. Should hear something by the end of this week.

#### MOSAIC BENCH UPDATE

The mosaic bench went for install with the artist last week. During install the bench height and curve was too much for the size of the backing. Artist is working with the sizing and will be redoing it. Looking around another month before install.
